**WORKFORCE INNOVATION AND OPPORTUNITY ACT (WIOA) MEMORANDUM OF
UNDERSTANDING BETWEEN NORTHERN RURAL TRAINING AND EMPLOYMENT CONSORTIUM
(NORTEC) AND AMERICA'S JOB CENTER OF CALIFORNIA PARTNERS
PHASE II OF II**

I. Purpose

This MOU Phase II builds on the agreements established with America's Job Center of California (AJCC) partners in Phase I and determines how to best support the established service delivery model through the use of resource sharing and joint infrastructure costs

The purpose of this Memorandum of Understanding (MOU) Phase II is to describe the resource sharing agreement between the Comprehensive One-Stop/America's Job Centers of California with each mandated partner agency and to confirm that the agreement in the MOU Phase I addressed the service coordination and collaboration amongst the partners. The cost sharing agreement does not constitute a binding financial commitment, but rather an intention to commit to specific resource as parties' allocations and budgets are known from year to year.

The MOU Phase II describes the cost allocation plan based on known current costs of operating the Comprehensive One-Stop/AJCC, as referenced in the MOU Phase I:

“Mutual infrastructure funding is a critical part of establishing the foundation needed to support integrated services delivery. Section 121(c) of WIOA requires a Memorandum of Understanding (MOU) be developed and entered into by a group of mandatory partners outlined in Section 121(b)(1)(B) of WIOA and listed on page 3-4 of this document, concerning the operation of the one-stop delivery system within the eleven county geographic area of NORTEC. The MOU shall outline the operation of the one-stop delivery system and includes both the services to be provided through the system, and the how the costs of such services will be funded.”

II. Effective Date of the MOU Phase II

This MOU Phase II shall be binding upon each party hereto upon execution by such party. The term of this MOU shall be three years, commencing on July 1, 2017 to June 30, 2020. During the term of the agreement, any substantial changes made by individual partner contributions will be updated on an annual basis with each partner separately. These updates will not require renegotiation of the MOU.

III. Process and Development of MOU Phase II

Meetings between colocated AJCC partners took place to discuss the Infrastructure Funding Agreements (IFA) and Other System Costs required to complete Phase II of the MOU. Partners who are physically colocated in the AJCC(s) are considered to receive a direct benefit that is allocable, therefore, they must contribute their proportionate share towards infrastructure costs.

Throughout Phase II MOU development collaboration between partners took place. Most partners attended the California Workforce Association (CWA) Phase II Training Session

October 25, 2016 and the WIOA Costs Sharing Webinar February 3, 2017. The meetings provided guidance, direction and clarification on the Infrastructure and Other System Costs needed to complete Phase II of the MOU.

Additional meetings occurred throughout the development of Phase II with the required partners. The Workforce Services Directive 16-09 was discussed to educate partners on the requirements needed from the State to complete MOU Phase II. The California Department of Social Services (CDSS) issued an All County Letter 16-51, which provided guidance on the partnerships under WIOA with the local America's Job Centers of California (AJCC). The CDSS also issued an All County Information Notice I-93-16, which provided guidance on the costs sharing requirements for CalWORKs partners. These directives and meetings helped the partners clarify the information required from the State for MOU Phase II.

IV. Parties to the MOU Infrastructure & Other System Costs

The AJCC partners, Chief Elected Officials (CEO), and Local Board participated in the infrastructure and other system costs funding agreement are:

- Northern Rural Training and Employment Consortium (NoRTEC), the WIOA Title I grant recipient and administrative entity, representing a Local Workforce Development Area comprised of a consortium of eleven counties: Butte, Del Norte, Lassen, Modoc, Nevada, Plumas, Shasta, Sierra, Siskiyou, Tehama, and Trinity. NoRTEC is a governmental entity, formed by a Joint Powers Agreement (JPA) between the aforementioned counties, and shall be represented in this agreement by the Chair of the Governing Board (Chief Elected Official), and the Chair of the Workforce Development Board.

V. Parties to the MOU, not colocated within the AJCC, participating in the Shared Other System Costs Agreement

- Siskiyou County Health and Human Services Agency, Social Services Division, Temporary Assistance for Needy Families (TANF)/CalWORKs Program

VI. Process for Resource Sharing Agreement Consensus

In order to determine the infrastructure requirements and other system costs needed to complete Phase II of the MOU, the colocated partners of the MOU met to reach a consensus on the methodology for allocating costs among colocated partners.

The non-colocated partners of the MOU also met to discuss the required Other System costs needed to complete Phase II of the MOU. It was determined based on Workforce Services Directive 16-09 from the Employment Development Department EDD and the California Workforce Development Board that only colocated partners were required to contribute and provide infrastructure costs at this time.

VII. Dispute Resolution

The parties agree to try to resolve policy or practice disputes at the lowest level, starting with the site supervisor(s) and staff. If issues cannot be resolved at this level, they shall be referred to the management staff of the respective staff employer and the operator, for discussion and resolution.

VIII. Modification and Review Process

This MOU may be modified, altered, or revised, as necessary, by mutual consent of all of the parties, by the issuance of a written amendment, signed and dated by the parties.

The partners listed in the Phase II MOU will work together to address any modifications to the Infrastructure and Other System Costs as needed, but at a minimum of once every year. Such budget updates will not require renegotiation of the Phase II MOU.

IX. Assurances

The State is in the process of implementing the requisite statewide data tracking system, and once such data are available, all non-colocated partners who are receiving benefit from the AJCCs will also be required to contribute their proportionate share towards infrastructure costs. This Phase II MOU includes an assurance from all non-colocated partners that they agree to pay their proportionate share of infrastructure costs as soon as sufficient data are available. Once sufficient data is available to determine the AJCC benefit to non-colocated partners, an infrastructure cost sharing agreement will be negotiated in a collaborative process by the appropriate AJCC partners.

X. Sharing Infrastructure Costs

NoRTEC and the AJCC partners have chosen a consolidated system-wide budget for the network of comprehensive AJCCs. Listed below are the NoRTEC comprehensive AJCCs with Colocated partners.

XI. Budget Option and Partners

The annual consolidated infrastructure budget outlining the infrastructure costs were provided by each colocated partner. These amounts will serve as a baseline to determine the cost each partner contributed.

XII. Cost Allocation Methodology

The costs allocation methodology agreed on by colocated partners is the proportion of an individual partner program’s square footage occupancy as a percentage to the total AJCC.

A. All Proportionate Shares

The initial proportionate share of infrastructure costs allocated to each partner based on the agreed square footage cost allocation methodology will be provided through cash contributions. This initial determination will be periodically reconciled against actual costs incurred and adjusted accordingly.

XIII. Consolidated System for Applicable Career Services

The signed Phase I MOU required identification of the career services that were applicable to each partner program found in Phase I MOU attachment A. Applicable Career Services: Basic Career Services and Individual Careers Services are services authorized to be provided under each partners program. The summary of career services applicable to the One-Stop delivery system partner from Phase I MOU can be found in Attachment A to this MOU.

The One-Stop Partners included in the Sharing of Other One-Stop Delivery System Costs are:

- Siskiyou County Health and Human Services Agency, Social Services Division, Temporary Assistance for Needy Families (TANF)/CalWORKs Program

A. Sharing Other One-Stop System Costs

While only colocated partners share infrastructure costs, all One-Stop partners must share in Other System Costs Applicable Career Services. All partners that signed the Phase I MOU must also sign the Phase II MOU for the sharing of Other System Costs. The Other System Costs budget is a consolidated budget for Applicable Career Services found in Attachment B to this MOU includes the partner’s costs for the service delivery of Applicable Career Services and a consolidated system budget for career services.

XIV. Termination

In the event that it becomes necessary for one or more parties to cease being a part of this MOU, said entity shall notify the other parties, in writing, 30 days in advance of that intention.
